

# HATCH SAFETY POST INSTALLATION INSTRUCTIONS

1) The Hatch Safety Post should be installed on the right side of the Roof Hatch as you are crawling out of Roof Hatch.

2) Install Hatch Safety Post with Roof Hatch door in closed position

3) Using fasteners provided, install Hatch Safety Post to exterior skirt of Roof Hatch.

4) While holding in place, fasten directly to roof hatch skirt with fasteners provided. Fasten through pre-drilled holes.

5) Install this sticker on the inside of the roof hatch so that anyone climbing through will see the sticker and know there is an aide for climbing out.
